My wife and I have got a house in the country and we go there every weekend. There is a small forest and a beautiful lake near our house and we often go for walks or sit near the lake and read. We usually have a good time but last weekend was terrible. The weather was really great on Saturday, so my wife prepared some sandwiches and we went to the lake. We sat under the trees and read our books for an hour or so. Then, we ate our sandwiches. After that my wife wanted to wash her hands in the lake, but she slipped and fell in! The water was very cold and the next day she became ill. She stayed in bed all day but didn't sleep. She always wanted something. "Ben, bring me some tea. Ben, bring me some soup." I'd like to forget that weekend.
