## TASK 8

Three people say what they did last Sunday. Read the texts, and answer the questions. Write ONE name for each answer. The first one has been done for you.

ANDY	BELLA	CARL
I got up at about 11.00, I think. I had breakfast, and started to cook lunch for the family. We had chicken, with rice and salad.	I've got a shop by the river, and we're open on Sundays, so I got up at about 8.00, had a quick cup of coffee, made a sandwich for lunch, and walked to the shop.	I got up at about 8.00, walked to the newsagent's and got a paper. Then I had a few cups of coffee, and read the paper in the garden.
It was a lovely day, so after lunch, we all cycled along the river. We bought some ice-creams and swam, and on the way home, we stopped at a Pizzeria for dinner.	The shop was busy. It was a hot day, and lots of people wanted ice-creams, so I made quite a lot of money! We closed at 6.00.	At lunchtime, I met some friends at the pub, and we had a few beers. It was a really hot day, so when I got back home I sat in the garden again and went to sleep.
In the evening, I did a bit of work around the house. Then I had some chocolate cake, and went to bed with a good book. I was asleep by 10.00.	In the evening, my husband and I had some pasta and salad. Then we put our feet up, had a glass of wine and watched TV. I went to bed at about 11.30.	It was a lovely evening, so my girlfriend came round and made a sandwich and some fresh lemonade. Then we watched TV until about 12.00.
