After the sneak preview we will ask you to review the movie. If you don't like the movie, you can leave early and even ask for your money back.

Abereidi School for Girls

Newsletter

Welcome to the new school year!

However, this is not just any new school year. At last, after months of noise and dirt from the builders, our new school building has been completed!

Now we not only have more rooms, but we also have more modern technology. For example, an interactive whiteboard and a powerful computer have been added to each of the classrooms. And all the lights in the building change automatically depending on the level of daylight. This will help us not to get so tired. Also, the Art Department and Music Department have both been extended to four classrooms each.

So, as we all start our daily school routine, enjoy the changes to our school.
